

## 2019 SCRIPTURE READINGS

Suggestions:

1. Read the same version of the Bible each time, and after two weeks you should be able to locate passages from the text as you get to know your Bible better.
2. If you get behind just continue on. The point is not to read a large portion of text but to understand what you do read.
3. This plan is designed to help you get to know the New Testament better. In three years you will have read the New Testament fifteen times!
